How We Support Our Families

- Provide training, evidence-based parenting and co-parenting classes and interventions, and consultation services.
- Provide families a safe place to build family connections while utilizing our facility and amenities.
- Provide supervised and partially supervised visitation services.
- Provide transportation to and from visits.
- Provide resource coordination and comprehensive case management.
- Provide education and guidance in navigating the court process.
- Provide financial literacy and budgeting consultation as well as music-base reunification interventions through our community partners.
- Provide assistance in successfully completing case plans developed by DCBS for birth parents.
- Collaboration with court systems in working toward timely reunification.
- Provide 24/7 support including an on-call line for after-hours emergencies.

The Bair Foundation

For more than 50 years, The Bair Foundation has been focused meeting the needs of children and families. It is our mission to bring about meaningful change in the lives of America's most vulnerable.

Kindred Roots

Kindred Roots was developed in collaboration with DCBS to serve children, their birth parents, and their kinship caregivers. We help families work towards successful reunification.

We Understand That...

- Children do best when raised in stable family settings
- Reunification is beneficial for both children and birth parents
- This can be a challenging time for parents, children and kinship caregivers alike
- Families may need help and support

We Are Here For You!
